WRITE IN CANDIDATES FOR WYOMING HOUSE IN DISTRICTS 26 AND 28!

Some of you may be voting absentee, so this is your reminder that there are DEMOCRATS running write in campaigns for House District 26 (northern Big Horn County, including most of Greybull) and House District 28 (most of Basin and southwestern and western Big Horn County, plus parts of Park, Hot Springs, and Fremont).

If you are registered Democrat and vote in HD 26, you can write in RALPH NIEDER-WESTERMANN (Don’t forget to fill in the oval!).

If you are registered Democrat and vote in HD 28, you can write in LARRY ALWIN (Again, don’t forget that oval).

Both of these men are prepared to campaign in the general election if they receive enough write in votes in the Democratic primary, which is a tremendous boon for us! What’s more, the state party has contracted for high quality, cost-effective advertising for them, so that not only will there be Democrats on the ballot, people will be seeing ADS for Democrats—in Big Horn County!

Having Democratic candidates goes so far in letting Wyomingites know that, yes, there ARE Democrats in Wyoming—more than you think!—and we are fighting for you!
